Café Stops – a map displaying all the Cafes used by the club is posted on the website. Our favourites are JJs, Wold Newton, and Jossals.

Recording your Ride – there is no requirement to record your ride, however, most members do and use Strava; you can request to join the club's Strava page at:

If you use Strava, please review the privacy settings and allow other club members to view your rides and to see you on flybys.

Ride Updates – ride updates are primarily posted on WhatsApp – the app was adopted at the 2018 AGM as the preferred method of communication between club members. When you join, you will be added to the Woodhall Wheelers WhatsApp group if you wish.

Club Kit – is supplied by Ellmore. Kit can be ordered through the website; currently 3 orders a year are placed with the club paying delivery charges. Kit sizing is always tricky so it is best to try before ordering.

In Case of Emergency – club members are required to make use of the ICE facility on their mobile phones. Members are strongly advised to add the app 'what3words' to their phones – the app recognised by the emergency services generates three words which pinpoint your position to a 3m square. Additionally, members are encouraged to install the first aid apps: Red Cross and/or St John Ambulance. Both give useful guidance and perhaps confidence is you are dealing with a situation alone in a remote location

Publicity & Photography - club members are welcome to take photographs and videos during club rides and they may be used for publicity purposes. Live video streaming is not permitted. If you do not wish to appear in club photographs or videos please let the Treasurer/Sec know.

GDPR - your details are held on the British Cycling website for access by club officials. Additionally, hard copy of your emergency contact details are held by the Club Sec but will be securely destroyed when your membership lapses.

Cycling Insurance - Club officials are covered by affiliation to British Cycling for club activities but members are not covered individually. Both British Cycling and Cycling UK offer suitable 3rd party cover policies as part of membership; there are others providers on the market, the choice is yours. Insurance is advisable but not compulsory.

Social evenings - several social evenings are organised each year.

AGM - the club AGM is held annually in October and the minutes of all meetings can be found on our website.
